How to access your Gmail account

Open Google and click on the Gmail link

Sign in with the email account details, provided to you by your class teacher.

@ chesterfieldprimaryelt.org

By clicking on the 9-dots, you will be able to access your:

- Email account and
- Classrooms

Your morning meeting will be located in the **Classrooms page**. Click on the meeting link to join a class meeting.

(The class teacher will provide details of when meetings are scheduled.

Meetings are facilitated by the adults from the school.

You may experience a short delay, during the time of the meeting, as the teacher will accept your request to join in.)
