Tuesday 5th January

Dear Parents/Carers,

Thank you for your support over the last term. It has been a difficult time for us all and we appreciate the way that the Chesterfield community has come together to support one another. As you are aware the government has taken the decision to close all Enfield schools from Monday 4<sup>th</sup> January until further notice.

We are lucky that Enfield Learning Trust have purchased Chromebooks for all of its pupils to support learning both at home and school. These will be available to collect this week and we will contact you via text message when these are ready. An adult with **parental responsibility** needs to collect the Chromebooks as there is documentation to sign – this will be emailed to you but we will have paper copies available also in school. We have set work for this week, which will be available on Seesaw. There will be a timetable, which includes reading, writing, spelling, maths and topic work to do with your child. During this time please also read books available to you with your child daily.

We will be updating Seesaw with work daily until we are able to open again. Staff will monitor the work and give feedback daily. If you require any technical support with the home learning, you can contact us via the following email [help@chesterfieldprimaryelt.org](mailto:help@chesterfieldprimaryelt.org)

If you require any explanation or feedback with the home learning, you can contact us via the following class email addresses:
