

MEET THE TEACHER

SEPTEMBER 2025

INTRODUCTIONS

Senior Leadership Team

Class Teachers

Teaching Assistants

SCHOOL VALUES AND

Conita

BEHAVIOUR EXPECTATIONS

SOME REMINDERS

School Uniform

ChromeBook

Water Bottle

Reading Record

**No scooters on
playground**

**Walk, do not ride
or scoot on the
playground**

We do not allow bikes or
scooters to be ridden on site

Children and adults should dismount at the school gate,
park bikes and scooters and walk into school

At the end of the day, scooters should not be ridden until
you leave the school premises

SWIMMING

- Farah – Monday PM
 - Simmonds – Wednesday PM
 - Ennis – Friday PM
- w/c 22nd September (Letters to follow)

ATTENDANCE

Good attendance means:

Being in school at least 96% of the time, that's at least 182 days a year.

Target
96%+

175
Days are not spent
in school each
year.*

*Plenty of time for shopping
holidays and appointments

SERIOUSLY WORRIED
Very poor attendance has a serious impact and reduces life's opportunities

VERY CONCERNED
Poor attendance gives less chance of success

WELL DONE
Good attendance gives the best chance of success

ABSENCE

01992 760678

Not sure?
Contact Martina
or check NHS

Coughs
Colds
Sniffles

IS MY CHILD TOO ILL FOR SCHOOL?

yes *until...* **NHS**

| | |
|-------------------------------|--|
| CHICKENPOX | At least 5 days from the onset of the rash and until all blisters have crusted over. |
| DIARRHOEA AND VOMITING | 48 hours after their last episode. |
| HIGH TEMPERATURE | If your child has a high temperature, keep them off school until it goes away. |
| IMPETIGO | Their sores have crusted and healed, or 48 hours after they started antibiotics. |
| MEASLES | 4 days after the rash first appeared. |
| MUMPS | 5 days after their swelling started. |
| SCABIES | They've had their first treatment. |
| SCARLET FEVER | 24 hours after they started taking antibiotics. |
| WHOOPING COUGH | 48 hours after they started taking antibiotics. |

NO

| | |
|-------------------------------|---|
| CONJUNCTIVITIS | You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly. |
| COUGHS & COLDS | It's fine to send your child to school with a minor cough or common cold. |
| HAND, FOOT & MOUTH | If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. |
| HEAD LICE | There's no need to keep your child off school. You can treat head lice and nits without seeing your GP. |
| THREADWORMS | Speak to your pharmacist, who can recommend treatment. |
| SORE THROAT | You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. |
| TONSILLITIS | |
| SLAPPED CHEEK | You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious. |

SCHOOL LUNCH

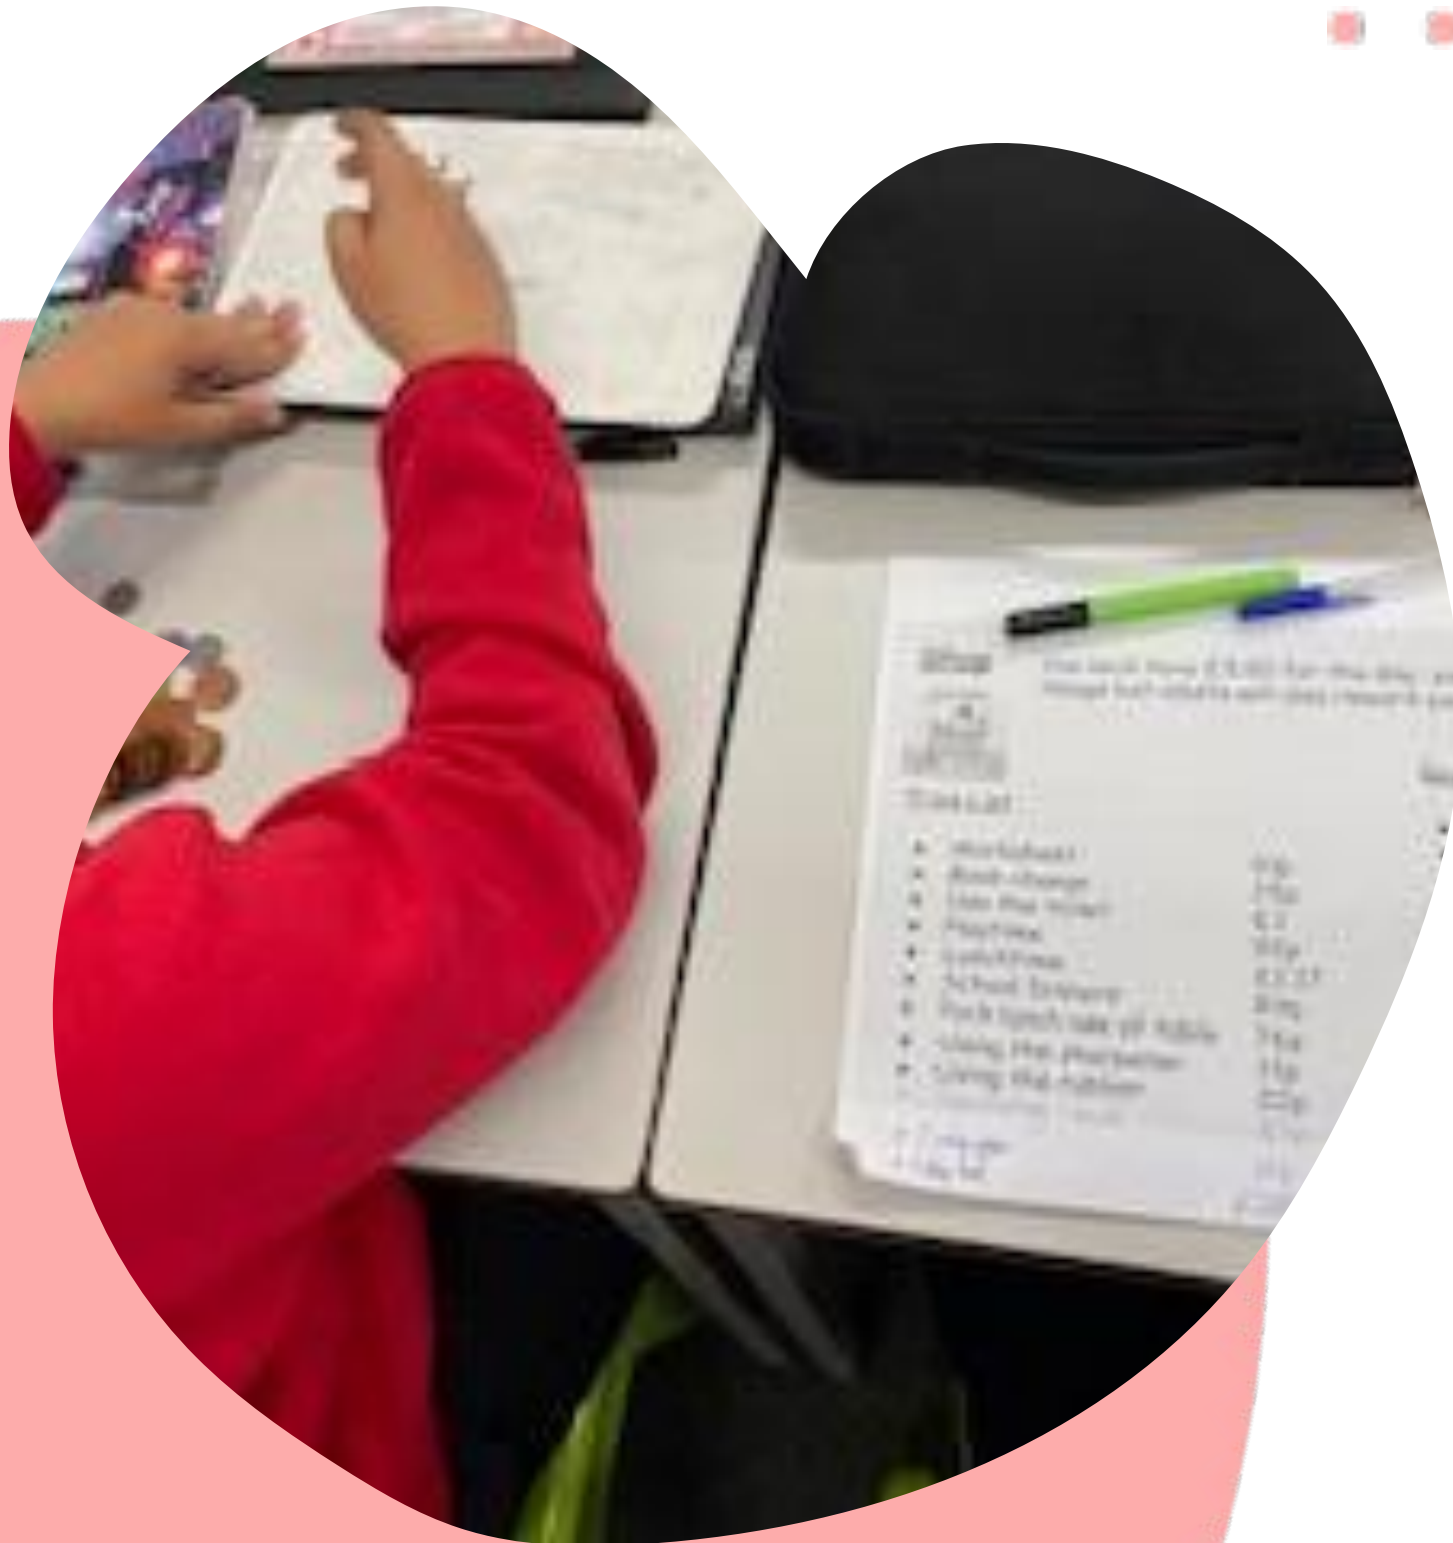

All children in primary school receive a free school lunch

Please log in to your Pantry account to choose your child's meal

Healthy packed lunch choices please - and no nuts!

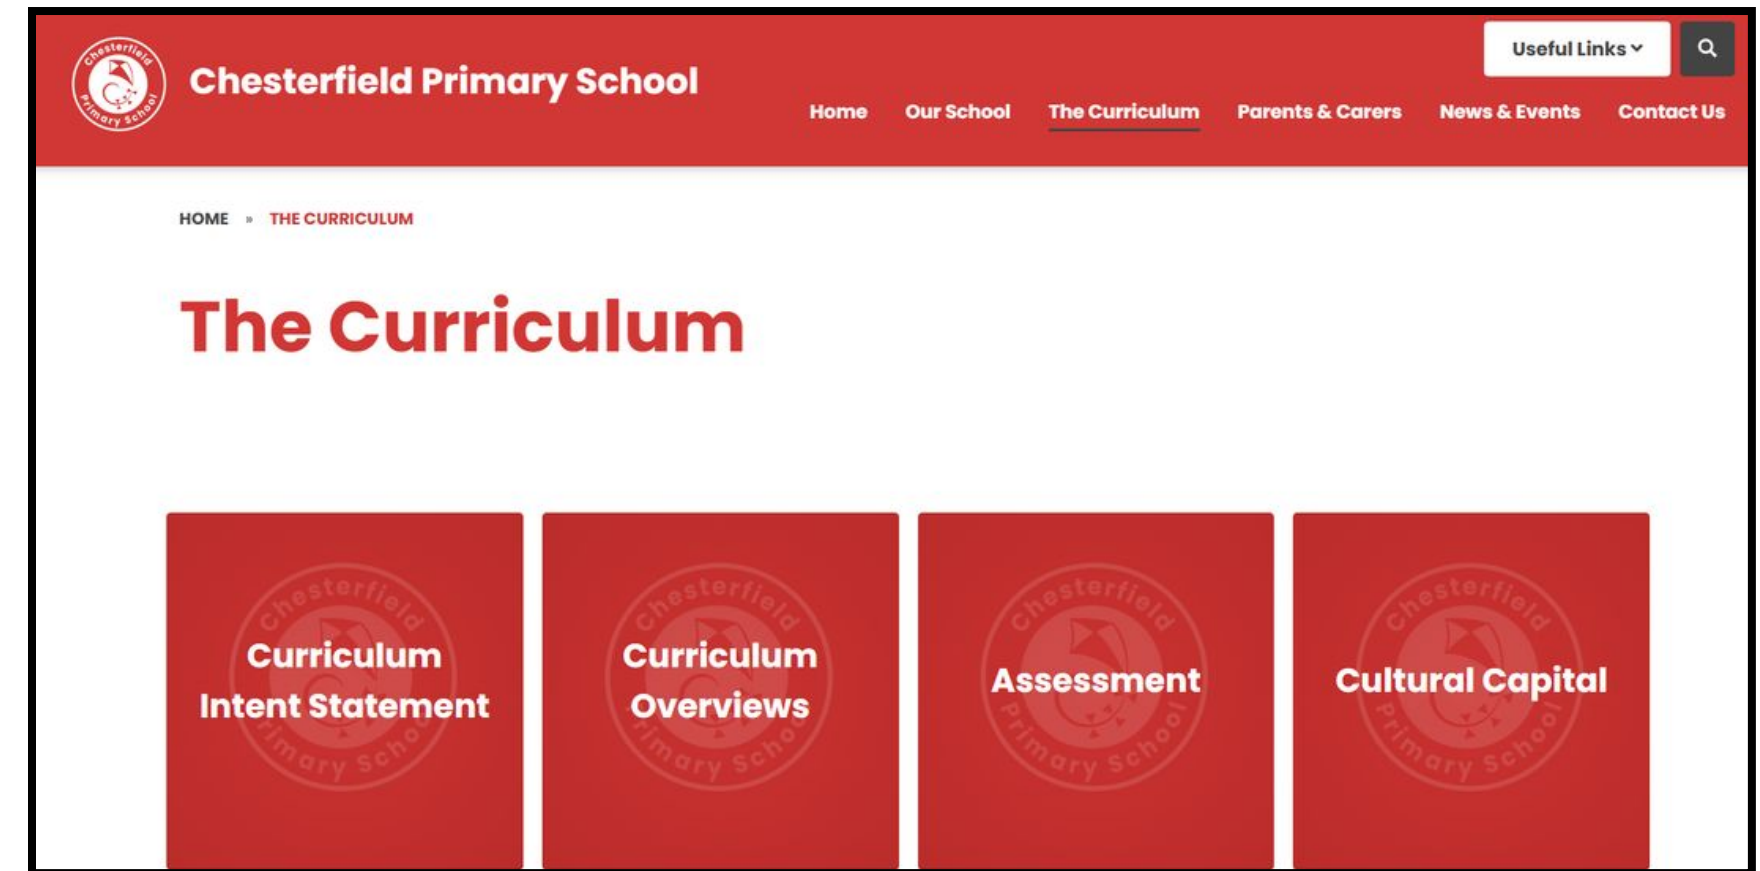

The Pantry will only provide jacket potato and beans for children with no order

HOME LEARNING

- Homework to go home on Friday including spelling, maths and reading.
- To be returned following Friday.
- Reading at home every day.
- TTrackstars/reading eggs.
