### Year 4 School Trip: Canal & River Trust Outreach

Dear Parents and Carers,

We are excited to inform you that Year 4 will be going on an educational trip to the Canal & River Trust Outreach on Tuesday 14th July. This hands-on experience directly connects to our current Geography unit, where the children have been learning all about Rivers.

During this trip, the children will learn about rivers and canals locally and the importance of water safety. They will compare the nearest river with the canal, find out how a lock works, learn about the local history, and spot a surprisingly wide variety of water birds. To guide their exploration, the children will use spotter booklets during our walks, and we will be answering a wide range of questions along the way.

As we will be splitting the children into two smaller groups for these sessions, lunch arrangements for the day will remain exactly as normal. Your child will eat their usual school or home-packed lunch at school either before or after their designated session. Please remember to send your child with a refillable water bottle to ensure they stay hydrated throughout our outdoor activities.

We are looking forward to a fantastic day of discovery and bringing our Geography topic to life. Please complete and return the permission slip below by **10th July 2026**. There is no charge for this trip.

Thank you for your continued support, and please let us know if you have any questions.

Warm regards,

The Year 4 Team

---

### Permission Slip (Return by **Wednesday, 10th July**: Year 4 Trip to Canal & River Trust Outreach

Please return to your child's class teacher.

Child's Name: \_\_\_\_\_ Class: \_\_\_\_\_
