British Values Framework

British Values underpin all aspects of school life and are woven through our assembly programme, curriculum, and wider opportunities. Each term carries a focus theme, detailed in the Assembly Overview table below. These values are carefully considered with the Kapow Scheme to ensure coverage in all year groups.

Value	What this looks like at Chesterfield
Mutual Respect	Celebrating similarities and differences; anti-bullying; oracy and listening skills, Family and Relationships PSHE unit
Democracy	Pupil Parliament; elections for leadership roles; debate and discussion
Tolerance	Multi-faith celebrations; exploring diverse cultures; community links
Rule of Law	Understanding rules and consequences; road safety; e-safety
Individual Liberty	Pupil voice; bike ability; personal responsibility and wellbeing

Oracy Assembly Programme

As well as weekly celebration assemblies, bi-weekly oracy assemblies are structured to address a British Values theme each term. Pupils develop oracy skills through presentations, discussion and performance across all six terms. Within each assembly, protected characteristics are re-visited and explored.
