

Cygnnet

Parent Information Sessions about Autism

Are you the parent or carer of a child/young person with a diagnosis of

Autism?

If you live in Enfield and your child/young person is 6 to 18 years old and is in education, Cygnnet is a **free** course available to you!

I feel much more confident in tackling issues.

The sessions were very helpful, I've enjoyed them & learnt a lot.

After attending Cygnnet I feel more confident & now I feel that I can stand for my child.

Very informative & interactive sessions.

Cygnnet consists of 5 core weekly information sessions, and 1 or 2 additional sessions where you can find out more about Autism and learn about strategies to support your child or young person. These sessions are run on a termly basis by Educational Psychologists and Parent Support Advisors that work in Enfield Advisory Service for Autism, in a supportive and confidential group.

Session 1 – Autism and Diagnosis

Session 2 – Sensory Issues

Session 3 – Communication

Session 4 – Understanding Behaviour

Session 5 – Supporting Behaviour

Session 6/7 Additional session on Puberty, Sexual Wellbeing & Relationships (following term sessions 6 on Sibling Support)
