Dear Parent,

Re: KS2 Library Visits

We are delighted to inform you that we will now begin regular class visits to Ordnance local library. We hope that this opportunity will inspire a love of reading for all children in KS2. KS2 classes visited the library and enjoyed a tour of the facilities, where they were informed that they could also apply for an individual library card with their parent's permission. The library provides application forms and will be happy to facilitate this for you.

As part of the class visit, the children will be able to borrow one book, which they will be encouraged to continue reading at home for at least 20 minutes per day. Regular follow-up visits will be organised for the children, so that they can return their book and choose a new one. Please ensure that the book is brought into school every day along with their class book and reading record/homework diary.

As property of the library, if the book is lost or damaged, you may be charged the cost of the book to replace it. We hope to maintain strong links with the library in order to continue providing a wide variety of opportunities, which we feel are beneficial for the children at Chesterfield school.

Yours sincerely
